## Public Comment

Ernie Johnson commented that the next race on the Trail will occur during a full moon which should provide more visibility.

Dewayne Johnson mentioned an article he had seen in the newspaper regarding a lawsuit pending against the Township. Solicitor Purcell stated that it has been going on for several years, working its way through the court. The Township's insurance is handling the defense, along with Mr. Purcell. There are motions pending before the court asking for certain parts of the case to be deleted.

Mr. Johnson also mentioned that the dumpster at the ballpark in Whitsett is always full. Clarence Johnson replied that all of the neighborhood dumpsters, even in Wickhaven and at the Township building are always full the day after being emptied, and at least it's not being dumped along the road.
